Conditions of Sale

PRICES given in this list are intended for whole-sale trade only, and cancel all previous quotations. They are based on current conditions and are therefore subject to change without notice.

TERMS: 2% discount for payment within 10 days of receipt of invoice; otherwise net 60 days from date of invoice. Interest thereafter at 1% per month.

PACKING at cost will be charged above prices quoted. Paper pots, when used, will be charged extra. When remitting with order, include 5% of order to apply on packing cost.

SHIPPING instructions are requested. Whenever possible we will pool smaller orders in carloads to near vicinity, thus saving on freight and boxing costs. Early placement of orders is essential in insuring accommodations in our pool cars.

CLAIMS or COMPLAINTS must be made within 10 days of receipt of shipment, and in the case of spoilage or breakage, must be accompanied by a copy of the Report of Damage furnished by an inspector for the carrier at time of delivery of shipment.

CALLUNA — See "HEATHER"

CAMELLIAS — NEW, PATENTED INTRODUCTIONS

BONNIE MARIE — All-America Camellia Selection for 1961. A *saluenensis* hybrid with a 4½ to 5 inch phlox pink flower that is fluted semi-double to anemone form. This very hardy plant with an upright, bushy habit blooms heavily over a five month period.

BRIGADOON — All-America Camellia Selection for 1962. Combines hardiness and free blooming qualities of *C. saluenensis* with large flower and fine color of *C. japonica*. The brilliant clear pink semi double flower averages 4 to 5 inches across. This free blooming plant has an upright habit with dark olive green, pointed leaves.

KINGS RANSOM — All-America Camellia Selection for 1961. A spectacular 5 inch flower of anemone form that blooms mid-season as a deep blush pink. This many branched, strong upright grower, sets buds well at a young age.

SERENADE—This unusual seedling of *Finlandia* sports a very large (five inches or more in diameter) flower that is a beautiful cream-white and is strongly fragrant. Foliage is particularly handsome with heart shaped, deeply veined, dark green and glossy leaves four and a half inches long and two and a half or more inches wide.

1 gal. cans 1.75

CAMELLIA C. M. WILSON — Blush pink flowers. A sport of *Chandleri elegans* with growth habit and foliage identical to parent plant.

1 gal. cans 1.50

CAMELLIA japonica — Well budded, bushy plants, assorted colors—by color only.
